Moulded by quality

When it comes to quality and durability, be it pipes and fittings or superior seating, one name unites India, Kisan.

Since 1982, Kisan has grown steadily, adding a gamut of products and services that range from pipes and fittings for water management, irrigation, water distribution and sewage disposal systems. It has further expanded its production expertise to include custom moulded articles and moulded furniture - under the popular Kisan Crest brand. With an annual turnover of Rs 700 crores and growing, Kisan products are today sought after in India and abroad.

The Kisan Crest brand of plastic moulded products includes several models of chairs, stools, center tables, etc. These multi-purpose / multi-utility consumer durables are specially designed to please the eye while providing maximum functionality.

At Kisan quality is a way of life and covers every aspect of the business from the raw material used - high quality **Virgin Polypropylene** - to the ISO 9001-2008 certified manufacturing facility. This, complemented by a stringent testing routine, ensures that every product lives up to the defined standards for all the brands under Kisan, and expected by countless satisfied customers worldwide.
